Ginzan Onsen Street (Enjoy Foot Bath)

During the Edo Period, this Onsen Street was famous because of the silver mining; was the shooting place of NHK Drama 「Oshin」. Wooden building that was constructed into two styles during Taisho Era was standing on both sides of this street.

Kakunodate Bukeyashiki

called "Small Kyoto," resembles Kyoto in size and culture. It's in Akita, surrounded by three mountains: East, known for flowers; North, hosting the old town; and South, protected by the Tamagawa River. By the 1620s, it had about 80 samurai.

Akita Antique Railway: take train from Kakunodate station to Matsuba station

Embark on a nostalgic journey aboard the Akita Nairiku Railway, starting from the historic samurai town of Kakunodate and traveling to Matsuba. This charming, vintage local train winds through the heart of Akita's countryside, offering passengers a front-row seat to.

Lake Tazawa

Lake Tazawa is a caldera lake in the city of Semboku, Akita Prefecture, northern Japan. It is the deepest lake in Japan at 423 metres. The area is a popular vacation area and several hot spring resorts can be found.
